

**ALBERTA SECURITIES COMMISSION
NOTICE**

MI 52-109 Exemptive Relief, 2007 ABASC 836

Certain Certification Requirements: Relief for Venture Issuers

November 23, 2007

On November 23, 2007, the Alberta Securities Commission issued Order *MI 52-109 Exemptive Relief, 2007 ABASC 836* (the "Order"), which exempts venture issuers that file annual and interim certificates in the forms attached to the Order from filing the annual and interim certificates prescribed by paragraphs 2.1 and 3.1 of Multilateral Instrument 52-109 *Certification of Disclosure in Issuers' Annual and Interim Filings* ("MI 52-109").

The annual and interim certificates in the forms attached to the Order do not contain representations relating to the design of disclosure controls and procedures and internal control over financial reporting or the evaluation of the effectiveness of disclosure controls and procedures. The form of certificate attached to the Order is accompanied by an explanation of how it differs from the certificates that reporting issuers other than investment funds are required to file pursuant to MI 52-109.

The Order applies to venture issuers that are reporting issuers in Alberta. Venture issuers that are reporting issuers in any other jurisdictions are reminded that the existing certification requirements in MI 52-109 remain in effect unless exemptive relief or other form of accommodation has been provided in those jurisdictions. Venture issuers filing certificates in the forms attached to the Order should use the SEDAR (System for Electronic Document Analysis and Retrieval) filing category "Form 52-109F1 – Certification of Annual Filings – CEO" and "Form 52-109F1 – Certification of Annual Filings – CFO" for their annual certificates and category "Form 52-109F2 – Certification of Interim Filings – CEO" and "Form 52-109F2 – Certification of Interim Filings – CFO" for their interim filings.

For further information please refer to the Order and to Canadian Securities Administrators Notice 52-319 *Status of Proposed Repeal and Replacement of Multilateral Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings*, both of which are published concurrently with this notice at www.albertasecurities.com, or contact:
