Substance and Purpose

The Proposed Amendments are intended to address the differences in treatment of certain reporting issuers under current securities legislation that have arisen or will arise as a result of references to specific exchanges under current securities legislation and the recognition of Aequitas Neo Exchange Inc. (Aequitas Neo Exchange) as an exchange pursuant to section 21 of the Securities Act (Ontario) and the exemption from the requirement to be recognized in other jurisdictions, namely British Columbia, Alberta, Saskatchewan, Manitoba, Québec, New Brunswick, Prince Edward Island, Nova Scotia, Newfoundland and Labrador, Yukon, Northwest Territories and Nunavut. The Proposed Amendments aim to ensure that securities legislation applies consistently to issuers listed on Aequitas Neo Exchange and issuers listed on other senior recognized exchanges. Investors will benefit directly from the Proposed Amendments as issuers listed on Aequitas Neo Exchange will be subject to the same regulatory requirements as issuers listed on other senior recognized exchanges and the industry will benefit from a harmonized regulatory regime.

Background

By order dated November 13, 2014, the Ontario Securities Commission (**OSC**) approved the recognition of Aequitas Innovations Inc. (**Aequitas**) and Aequitas Neo Exchange as an exchange pursuant to section 21 of the *Securities Act* (Ontario), subject to certain terms and conditions (the **Recognition Order**). The Recognition Order will be effective as of March 1, 2015. Aequitas Neo Exchange operates an electronic, automated exchange to trade securities of qualified senior issuers listed on Aequitas Neo Exchange as well as those listed on other recognized exchanges. Aequitas is the sole parent company of Aequitas Neo Exchange, and was recognized as an exchange for the purpose of complying with the terms and conditions set out in the recognition order published by the OSC. The securities regulatory authorities in British Columbia, Alberta, Saskatchewan, Manitoba, Québec, New Brunswick, Prince Edward Island, Nova Scotia, Newfoundland and Labrador, Yukon, Northwest Territories and Nunavut have exempted or are

in the process of exempting Aequitas and Aequitas Neo Exchange from the requirement to be recognized as a stock exchange, exchange or self-regulatory organization, with such exemption being subject to certain conditions, including that: (i) Aequitas and Aequitas Neo Exchange will continue to be recognized as an exchange by the OSC and to comply with the terms and conditions of the Recognition Order; and (ii) Aequitas Neo Exchange will be subject to the oversight program established by the OSC from time to time in accordance with the provisions of the *Memorandum of Understanding respecting the Oversight of Exchanges and Quotation and Trade Reporting Systems* which took effect on January 1st, 2010 among the Alberta Securities Commission, Autorité des marchés financiers, British Columbia Securities Commission, Manitoba Securities Commission, the OSC and Saskatchewan Financial Services Commission.

Currently, certain definitions, requirements or exemptions in securities legislation do not apply to Aequitas Neo Exchange. The recognition of Aequitas Neo Exchange has several implications for issuers which the Proposed Amendments will address. For example, without the Proposed Amendments, issuers listing on Aequitas Neo Exchange will be “venture issuers”, notwithstanding that such issuers are more appropriately classified as issuers that are not venture issuers under applicable Canadian securities law. Secondly, without the Proposed Amendments, issuers listing solely on Aequitas Neo Exchange will not be qualified to file a prospectus in the form of a short form prospectus, as Aequitas Neo Exchange is not included in the definition of “short form eligible exchange” under NI 44-101. The Proposed Amendments must be made to ensure that securities legislation applies equally to issuers listed on other recognized senior exchanges and issuers listing on Aequitas Neo Exchange.

Summary of the Proposed Amendments

The Proposed Amendments include:

- referencing Aequitas Neo Exchange in the definitions of “venture issuer”, “IPO venture issuer”, “personal information form”, “listed issuer”, “short form eligible exchange” and “OTC issuer” and adding a definition for “Aequitas personal information form” in the applicable national and multilateral instruments listed above,
- changing certain provisions contained in NP 46-201 for the purpose of describing certain issuers listing on Aequitas Neo Exchange as being either exempt issuers or established issuers (as such terms are described in NP 46-201),
- amending MI 61-101 to include Aequitas Neo Exchange in the list of specified markets identified in certain sections, and
- amending NI 71-102 to update and expand the list of Canadian exchanges (including Aequitas Neo Exchange) in certain sections.

Existing Security Holder Prospectus Exemptions

The securities regulatory authorities in British Columbia, Alberta, Saskatchewan, Manitoba, Québec, New Brunswick, Prince Edward Island, Nova Scotia, Yukon, Northwest Territories and Nunavut have adopted a prospectus exemption that, subject to certain conditions, allows issuers listed on specified exchanges to raise money by distributing securities to their existing security holders (the “Existing Security Holder Prospectus Exemption”). The list of specified exchanges in the definition of “listed security” in the Existing Security Holder Prospectus Exemption does not contemplate Aequitas Neo Exchange. On November 27, 2014, the OSC published in final an exemption that is substantially similar to the Existing Security Holder Prospectus Exemption, which includes reference to Aequitas Neo Exchange in the list of specified exchanges under the definition of “listed security” contained therein. CSA staff recommend that issuers listed on Aequitas Neo Exchange be able to use the Existing Security Holder Prospectus Exemption and accordingly intend to seek approval to amend the relevant rules or revise the blanket orders as necessary to ensure that the Existing Security Holder Prospectus Exemption is consistent with the Proposed Amendments.

Interim Measures

As discussed above, until the Proposed Amendments are effective, issuers listed on Aequitas Neo Exchange will be “venture issuers” under securities legislation, even though such issuers are more appropriately classified as non-venture issuers. During this period certain interim measures will be taken. Firstly, issuers intending to list on Aequitas Neo Exchange will provide an undertaking that they will comply with Canadian securities legislation as applicable to non-venture issuers. Secondly, other than in Ontario, CSA jurisdictions will issue blanket orders relieving issuers listed on Aequitas Neo Exchange from the requirements pertaining to venture issuers. In Ontario, issuers will gain such relief by application.

Designation Orders

Subsection 4.8(2) of Multilateral Instrument 62-104 *Take-over Bids and Issuer Bids* (MI 62-104) and subsection 101.2(1) of the *Securities Act* (Ontario) provide an exemption from certain issuer bid requirements for issuer bids that are made through the facilities of a designated exchange. CSA jurisdictions have issued or are in the process of issuing orders designating Aequitas Neo Exchange to be a designated exchange for the purpose of MI 62-104 or the *Securities Act* (Ontario), as applicable.

Anticipated Costs and Benefits

We expect the Proposed Amendments to contribute to the maintenance of a harmonized regulatory regime by treating issuers listed on Aequitas Neo Exchange in the same manner as those listed on other recognized senior exchanges. We do not expect any costs to be associated with the Proposed Amendments because issuers listed on Aequitas Neo Exchange will already be complying with the same requirements as issuers listed on other senior recognized exchanges as a result of the interim measures discussed above.

Alternatives Considered

No alternatives to the Proposed Amendments were considered.

In developing the Proposed Amendments, we have not relied on any significant unpublished study, report, or other written materials.
