

ASC NOTICE OF ONE YEAR EXTENSION OF ASC BLANKET ORDER 31-536 *ALBERTA SMALL BUSINESS FINDER'S EXEMPTION*

October 31, 2024

Introduction

The Alberta Securities Commission (ASC) adopted a dealer registration exemption (the **Exemption**) under ASC Blanket Order 31-536 *Alberta Small Business Finder's Exemption* on November 10, 2021 that is due to expire on November 11, 2024. The Exemption allows a Finder who meets certain conditions to intermediate the sale of the securities of an Alberta Small Business Issuer (defined below) under certain prospectus exemptions.

The ASC is now extending the expiration date of the Exemption by one year until November 11, 2025 to allow additional time to monitor the use of the Exemption and make a determination at that time about whether or not to continue with the Exemption.
